

BLAIRLOGIE BUGLE

Your Window on the Village and the Logie Community

October 2013

Stop Press

There has been another burglary in Blairlogie so all Logie residents should take particular care on security and keep a sharp look out for anything suspicious.

The contact details for the David Pettigrew, the Community Constable are telephone 101, or e-mail david.pettigrew@scotland.pnn.police.uk

Brown Bins

Stirling Council has stated that if the current industrial action ends before the 30th November then they will organise a final brown bin collection round.

Reading Room Film Night

The postponed showing of the classic adventure film, Treasure Island, will now take place on Saturday 2nd November at 7,30pm. This is the 1950's coloured version with all your favourite old time stars and is very suitable for children. Feel free to dress up or just wear a silly hat. Donation £2. BYOB

Logie Community Council

New neighbour Ian Doyle is hoping to put together a group of people to carry on the work of Logie CC. This has to be completed before the deadline of 24th October. Ian is particularly interested in having some people from the wider community as community councillors.

Anyone who is interested in joining the CC or wishes to nominate somebody should contact Ian at 01259 760313 or e-mail ktdoy@btinternet.com

Saturday 2nd November
date tbc
Saturday 30th November
Sunday 15th December
Tuesday 31st December
January date tbc

Does everybody in your household see the bugle? Please pass it on.

Electricity Shut Down

Scottish Power needs to make alterations to the supply network to change any connections that are currently attached to chimneys. This does not mean that the overhead poles will be removed but some will be replaced. Please see the note overleaf from Tom Bell, Project Supervisor, Powerteam.

Dear Resident,

Scottish Power Energy Networks have engaged with our Service partner Powerteam to carryout modernisation works on the low voltage overhead network within the village of Blairlogie, this work is necessary to ensure that we continue to provide you with a safe a secure supply of electricity this will be achieved by installing a fully insulated network that better storm resilience and is safer system. The work will commence on Tuesday 15th October and will be completed on Friday 18th October. The Powerteam project manager has been on site and has spoken personally to nearly all customers who will be affected by this work, if you have not been contacted by Tom Bell and require to speak to him please contact

him on **07825 914 919** **07825 914 919 FREE** .

As part of this modernisation it will be necessary to switch off the electricity supply to your homes during the work on Friday 18th you will have already received a letter detailing this, The works will involve Powerteam using working platforms to reach the poles and this may cause you a delay in entering of leaving the village we will endeavour to make this delay as short as possible.

Safety is paramount within our organisation and therefore something we take very seriously. In addition that we do everything possible to protect you the public from our work and equipment it is vital that we also keep our own staff safe and focused on the job at hand.

as a result can I please make the following requests.

- **Whenever possible please contact myself TOM BELL on 07825 914 919 07825 914 919 FREE for any assistance.**
- If approaching the site please alert the first available operative to your presence and intentions, they will then instruct you of how and when to proceed.
- Please do not enter any area that is surrounded by barriers or warning tape.

Please accept our sincere apologies for any disruption this modernisation works may cause you.

Tom Bell
Project Supervisor
