...And now for some good news

From the Adam Family

For the superstitious among us, Friday 13th is often considered an unlucky day. However, for the Adam family, it will be an exciting and joyful day at the castle as the youngest member of the family, Katie Mo, will marry Andrew Gorrie. Katie and Andrew met at a Christmas party whilst Katie was at Napier University studying Animal Biology and Andrew was studying Aeromechanical Engineering at Strathclyde.

Andrew was born and grew up in Perth and is now a senior systems engineer with a defence company based in Edinburgh.

On January 13th of this year, Andrew popped the question in the couple's new Winchburgh home. The happy couple will tie the knot after five years (and one dog) together.

We wish you both a long and happy life together!

Congratulations to John and Sheila Randall on their Golden Wedding Anniversary

Congratulations to John and Sheila Randall on the occasion of their fiftieth wedding anniversary on 27th March 2021.

Welcome the Beechey family

We are Tim and Claire Beechey, plus teenage sons David and Fraser (and two cats), and we have now finally moved in with Molly. This is a return to living in the village for Tim after 27 years, but we have all been regular visitors over that period. We are looking forward to lockdown ending and being able to meet up with neighbours old and new.

100 Club

The latest winner is Beth Annan with lucky number 88. If you want to join the club, contact John Randall: randhurst1940@gmail.com

Caddy Bags

Rolls of Stirling Council food waste bio bags, obtained by the Community Council during the library lockdown, are still available. Contact Mary Maxwell-Irving – Mob: 07941 535 985 or on WhatsApp. There are 52 bags on a roll and the food waste can be of both uncooked and cooked food. Food waste is of course still collected via your brown bin, whether or not you have purchased a garden waste collection permit.
