REGIMENTAL
ROLL of HONOUR

OF THE
OFFICERS, WARRANT OFFICERS, N.C.Os. & MEN
OF
THE CAMERONIANS (SCOTTISH RIFLES)

Who to uphold Liberty and Justice in the World laid down their lives in
THE GREAT WAR, 1914-1918

PREFACE

THIS Roll of Honour contains the names of Officers, Warrant Officers, N.C.O.s. and Men of all Battalions of The Cameronians (Scottish Rifles) who laid down their lives in the Great War, 1914-1918. It has been compiled from official sources, and in every case the Next-of-Kin have been communicated with in order that the entries might be verified.

The names on the Roll of Honour number 7,106. These figures are eloquent and prove that The Cameronians bore no inconsiderable share in the brunt of the warfare. They tell of men who were faithful unto death in the Service of their Country, and to the cause of Honour and Freedom, and who have brought a fresh and unfading lustre to the Glory of one of Scotland's Oldest Regiments. They also tell of lives that were cut off in the flush of youth, vigour and hope; they tell of sorrowing hearts and desolated firesides. It is, therefore, not only with gratitude, but with deep and respectful sympathy that the Regiment offers this book to the Next-of-Kin as a tribute to the Memory of their Fallen Comrades.

Bereaved ones will, it may be hoped, find a sacred pleasure in turning its pages, and reading here and there familiar and well-beloved names. Their sorrow may be lightened by the thought that their lost ones have not given their lives in vain, and that their Surviving Comrades desire to keep them in honoured and abiding remembrance.

NOTICE

THE Regimental Memorial Committee have decided to erect a Brass Tablet in the Glasgow Cathedral, and it is hoped that this will be ready for dedication by Sunday, the 28th November (the Sunday nearest to St. Andrew's Day). A Casket will be placed below the Tablet containing a special Roll of Honour, which will be compiled from this book.

You are earnestly requested to communicate with the undermentioned, as soon as possible, should you discover any discrepancies, omissions or errors.

It has also been decided to erect in Glasgow on a suitable site a Monument to do Honour to our Fallen. This work will necessarily take some considerable time.

The Committee desire to thank all who have so generously contributed to the Fund. It has progressed in a most satisfactory manner, and will be kept open until the required amount has been obtained.
